Job Expectations

Title	Community Programs Analyst	Exempt
Reports to	Community Programs Manager	Date last revised: 2/24/2015
Supervises	N/A	
Summary	The Community Programs Analyst contributes to fulfilling IHCDA's mission by helping the department meet strategic and annual goals. Through individual effort and collaborative work, all of IHCDA's programs, funded through state, federal and private dollars, are implemented and administered in a manner consistent with regulations outlined by state and federal code.	
Evaluation of performance	Performance will be evaluated based on achieving key outcomes described in this job description, including specific goals, deadlines, and other quality indicators; working effectively in a team environment; interacting positively with partners; demonstrating customer service; meeting work profile goals; and working efficiently and effectively within required specifications, policies, and standards established by IHCDA and its associated governing entities.	

Key outcomes expected

Ensure successful delivery of program benefits utilizing the following funding:

- Community Services Block Grant Health and Human Services
- Low Income Home Energy Assistance Program Health and Human Services
- Low Income Home Energy Assistance Program -State of Indiana

Collaborate with the Community Programs Manager to coordinate weekly program activities with local program administrators for LIHEAP (EAP), CSBG, third party payments, contract management, data analysis and reporting and overall program administration.

Meet regularly with the Community Programs Manager to develop projects, report on deadlines, and consult on issues with sub-grantees or professional services vendors related to CSBG and EAP.

Work in conjunction with the Community Programs Specialist on the grants administration process including the distribution of contracts, amendments, and closeout form, budget modifications, and closeout for EAP and CSBG.

Coordinate with the legal department regarding the annual updates to the program legal agreements including grant agreements, MOUs and professional service contract records and files documenting performance and compliance.

Develop and present annual program administration trainings and coordinate webinars throughout the program year in conjunction with the Community Programs Manager and Program Monitor.

Coordinate with the Community Programs Monitor to oversee sub-grantee monitoring and to address any ambiguity or inconsistency in grant and program requirements.

Monitor professional services contractors' progress and performance to ensure services conform to contract requirements.

Develop requests for proposals as needed.

Coordinate the sub grantee monitoring process including writing and distribution of monitoring notices, conducting onsite visits or desktop reviews, timely reporting and responses, tracking, follow up correspondence, and corrective action plans in conjunction with monitoring consultants.

Analyze monitoring results from monitoring reports and identify trends in findings and concerns that will assist in training and technical assistance.

Coordinate with IT professional services vendor to resolve database issues and ensure the quality of the data managed by the system.

Coordinate and implement the annual grant application procedures for the CSBG Innovative Programs and other annual grant funded projects.

Ensure that all external and internal policy and procedure manuals for CSBG and EAP are updated annually and posted to the IHCDA website content.

Provide exceptional customer service to all external and internal partners for all department programs.

Represent IHCDA and the programs on external committees, at sub-grantee events and at national organizations.

Contribute to the success of all Community Programs divisions and IHCDA as a whole as needed.

Perform related duties as assigned.
